What's new:

- A brand new offensive powerhouse in Wayne Rooney. Try him in a new role as a false 9 in your attack, with new skill - and knockout power.
- A new fullbacks in Paul Pogba and Leighton Baines. Try them both on different roles.
- A worthy new captain in the form of Antonio Valencia.
- Simple instructions on-the-ball that perform the right things with the right confidence
- Play with a complete goalkeeper system from International Goalkeepers like Etheridge and Betancourt, to Smart Defensives like Total Ball Control and Smart Postures.
- Or build your defensive wall to dominate matches
- New go-to pass animations
- New tricks like "cobbled kicks" that create lethal opportunities
- Smarter cards, more big decisions, more summary cards and more layers of control.
- A stunning visual presentation, revamping the game with improved lighting and new visuals, including main-tenant city rendering and stylised defender portraits that make these characters more expressive
- Updated camera angles make FIFA matchday and your club's stadium come to life like never before
- Over 350 new and updated player animations, 10 times as many new off the ball animations and again 10 new goals
- Introducing the all-new Editor Ultimate. Create your own teams, create your own challenges, keep track of all your created teams, save replays and edit your creations in the one-place: right on your disc!
- Ultimate Team Rivals - redefining the competitive way to play in FIFA. Create and challenge your friends in a full championship plus weekly cups, as well as in 2 vs. 2 online matches. It's an all-new competitive career mode for 11 vs. 11 matches, where your progress, skills, and successes will count in the rankings.
- Powerful Player Intelligence (PPI) feedback which gives players even more responsibility for their on-field actions.
- Spreaker - If you use headphones with your PlayStation®4 system, you can use the PlayStation®4 Stereo Headphones with the Spreaker feature to enjoy the action and announcements of your player and teammates.
- New features like traditional celebrations, new chants, and... new mascots! Yes, FIFA, your mascot, has finally come to console.

FIFA is the official videogame of the English Premier League™ and it has become the most recognised brand in sports gaming. It has been played by over one billion people and it spawned numerous iconic videogames such as FIFA 2004, FIFA Street and FIFA 99. What is EA SPORTS FIFA? EA SPORTS FIFA is a brand within the FIFA brand which has had key moments in the life of the sport. The first ever FIFA game (FIFA 99) was the surprise winner of the Game of the Year Awards in 1999. EA SPORTS FIFA is the recognised videogame franchise for football in the US, where EA SPORTS FIFA is the most played videogame series of all time (Source: NPD Intellect). Storyline When EA SPORTS FIFA 17 saw huge success in the marketplace on PlayStation®4 and Xbox One™, millions of players had the chance to play as the World Cup-winning England team, the U.S. men's national team, and the Brazilian national team in a new franchise feature. The developers also introduced the brand new method of integrating players' social networks into gameplay. They also introduced the Pass the Ball feature which allows players to use a second controller on another player to help an area become a goal scoring opportunity. Along with the Pass the Ball feature, the team introduced Player Impact Visuals, first introduced in FIFA 18, to greatly enhance the game's presentation. Key Features Now You Can Play FIFA the Way Real Footballers Play Powered by EA SPORTS FIFA, EA SPORTS FIFA 22 brings real-world football to life with fundamental gameplay advances. The biggest and best players in football come to FIFA 22. No game provides the ability to control every single player on every single touch. FIFA 22 introduces all-new Player Movement Control to add control to every player. Players can feel their weight and momentum when running with the ball. Players also have a new method of dribbling, which allows them to change direction while maintaining control of the ball. Featuring the biggest star pool ever, FIFA 22 delivers the hottest and most diverse lineup of talented players ever featured in the game. Every single player who has featured in the English Premier League™ over the past three seasons – from "the big four" (Chelsea, Tottenham, Manchester City and Liverpool) to the best players from all the small teams in the Premier League – are on FIFA 22. Additionally, the most-beloved English players of all time, from Wayne Rooney to Frank Lamp
